535 Settlers Rd, Lower Macdonald

A Rare Riverfront Opportunity

A tranquil and serene north facing retreat on the banks of the Macdonald River. The first time ever offered for sale, this home offers great opportunity to develop further or to enjoy as is.

This quality built and well maintained two level home has beautiful established gardens leading down to the waters edge. The water sports enthusiast has direct access to the river via a boat ramp.

The entry level offers casual living and dining and a full length entertainers balcony floating amongst the trees. Also on this level are 2 good size bedrooms with built in robes each taking in their own unique aspect of the property.

The lower level is currently configured as a great master bedroom suite with high ceilings and panoramic windows opening out onto a covered paved terrace. With private external access and given the size of this area there is a great opportunity for in-law accommodation, teenage retreat, artist studio or income generation through short-term holiday accommodation such as Airbnb or Stayz.
